

NAGENTHIRAN.

TAKING NEW CLIENTS

WEB DEVELOPMENT

A website built around what you actually need.

Not just portfolios — I design and build custom sites for real businesses, stores, and ideas. Fast, mobile-friendly, and yours to keep (full source code, no lock-in).

WHAT I BUILD

Portfolio & Personal Sites

Business & Landing Pages

Online Stores

Booking & Appointments

Blogs & Content Sites

Custom Web Apps

PRICING

Portfolio Website

Single long page, your projects & contact info

£150

Business / Landing Page MOST POPULAR

Multi-page site, up to 5 pages, services & contact form

£250

Larger Brand Site

6+ pages, more content & structure

£300

Online Store

Products, cart, checkout — scoped after a quick call

from £350

MONTHLY CARE PLANS

Optional add-on for any site I build — keep it online, safe, and up to date.

Basic

Uptime monitoring & automated backups

£10/mo

Standard

+ up to 2 small edits per month

£20/mo

Priority

+ up to 5 edits/month, 48hr turnaround

£35/mo

Already have a site? **Domain & Hosting Setup** on its own — no build needed — £15 one-time.

WHAT'S INCLUDED

- ✓ Custom design — not a generic template
- ✓ Fully responsive, mobile + desktop
- ✓ Fast loading, SEO basics built in
- ✓ Help getting it live (domain & hosting)
- ✓ 2 rounds of free revisions
- ✓ Full source code, no lock-in
